UTAH STATE OFFICE OF
REHABILITATION

December 2016 Performance Data: Vocational Rehabilitation

The mission of the Division of Rehabilitation Services is to assist individuals with disabilities in achieving meaningful employment and increasing their independence. In support of this mission, the division is committed to providing high quality, individualized services to eligible individuals. These services may include disability restoration and treatment, counseling and guidance, assistive technology, benefits planning, training, job placement and follow-up supports.
